

Instructions for EMT Applicants

Your application cannot be processed and you will not be added to the list unless you complete the following steps in the application process at time of submission. Please refer to this list regularly as you go through the application and double check to make sure everything is included before completion:

1. Complete the driver's license section of the application.
2. In the section of the application labelled **LICENSES/CERTIFICATES OR OTHER AUTHORIZATIONS TO PRACTICE A SKILL, TRADE OR PROFESSION** you must include the following information:
 - a. NYS EMT certification number
 - b. Initial date of EMT licensure/certification in month/year format
3. In the **EMPLOMENT EXPERIENCE** section of the application please include only experience as an EMT **and/or** experience directly providing emergency medical care gained **after** your initial date of licensure as an EMT. No other experience can count towards your score in the evaluation of your application. All experience listed must have the "EMPLOYED FROM" and "EMPLOYED TO" fields filled out in month/year format. Also complete the field labelled "AVERAGE NUMBER OF HOURS PER WEEK". Experience is prorated according to this formula required by NYS:
0-10 hrs. on average per week = 0 time (*please select the option for ¼ time on the electronic application*)
10-25 hrs. on average per week = ½ time
More than 25 hrs. on average per week = full time
(Note: you will also have to include this information on the resume you attach in step #4 below but for that section you must indicate a single number that is your best estimate of the average...not a range and not time listed as a fraction e.g. ¼, ½, or ¾ time. See below.)
4. After completing the application form you will have the option to attach additional documents. You **MUST** attach the following items:
 - a. Photo/scan of the front of your current EMT certification card, preferably in pdf or jpeg format. Do not attach a photo of an expired card.
 - b. Photo/scan of the front of your current CPR certification card, preferably in pdf or jpeg format. Do not attach a photo of an expired card.
 - c. A copy of your resume that lists all emergency medical experience and next to each item please indicate average number of hours worked per week boiled down to a single number to the best of your estimation. Do **NOT** list a range and do **NOT** phrase it as "half-time", "part-time", "1/4 time" etc." We need a single number in order to evaluate using a NYS-provided scoring matrix.

We evaluate all applications submitted in the month following the month of submission and send out a results letter by mail when the review is complete. Qualified applicants are on the eligible list for one year from the date on this results letter. To maintain continuous active status on the list please re-apply at least a month and a half before your eligibility expires. The eligible list is used only by the following two jurisdictions: Guilderland EMS and the Albany County Sheriff's Dept.'s EMS Division. They request a certification of the list periodically from Albany County Civil Service to fill vacancies as they arise. Albany County Civil Service is not directly involved in the canvassing, interview or appointment process so all inquiries after you are added to the list about a particular employment opportunity should be directed to the jurisdiction in question, Guilderland or the Sheriff's Dept. If you see a job posting from one of these jurisdictions and you are already active on the eligible list you do not need to re-apply for the EMT exam with Albany County Civil Service as your name should appear on the list certification we send to them to fill the vacancy. Questions about your application, scoring, and list status can be directed to Albany County Civil Service at the following email address:
