DUTIES OF POSITION: In conjunction with the Assigned Counsel Administrator, the Supervising Attorney position is responsible for the oversight and implementation of Albany County's Assigned Counsel Program, ensuring that the program provides case representation to eligible clients in compliance with established quality standards set forth by the Office of Indigent Legal Services (OILS). This will include establishing training and mentorship programs for panel attorneys, coordinating access to non-attorney professionals, representing the County locally and throughout NYS and working with the courts to develop a system for attorney assignments that conforms with NYSOILS standards. The Supervising Attorney oversees the effective implementation by panel attorneys in representation of program clients of criminal justice laws and standards as enacted by the State of New York. The Supervising Attorney is not eligible to be assigned to or accept cases under this program during his/her employment as Supervising Attorney except as directed by the court. Does related work as required.

SPECIAL REQUIREMENT: At time of appointment and throughout employment: Admission to the New York State Bar.

SCOPE OF EXAMINATION: The only subject of examination will be an evaluation of your training and experience. You are, therefore, asked to include in your application all pertinent education, credentials, and experience in sufficient detail so that your background may be fully evaluated against the duties of the position.

Attach to your application a complete summary of your relevant training and experience (resume). Be as concrete and specific as possible; ambiguity and vagueness will NOT be resolved in your favor. (Note: Additional information will NOT be accepted after the close of the filing period and cannot be considered in the establishment or examination ratings.)

In your summary of training, include not only formal education programs, but also participation in continuing education programs, professional seminars and convocations, etc. Please indicate the sponsoring agency, nature and duration of such programs and the nature of your participation. (Note: In order to obtain credit for continuing education, you must establish a pattern of activity extending over at least the past three years, which activity is designed to help maintain your skills and keep abreast of the field. Education and training, which is part of the minimum qualifications, cannot be credited as continuing education.) Indicate your affiliation, if any, with professional organizations in the field.

In your summary of experience, describe each relevant position you have held during the last ten years. (Note: submission of a resume does not relieve you of the responsibility for completing ALL sections of the official application. The resume is a supplement to the application, not a substitute for it. To receive credit for experience on the job, basic information such as address, name and title of supervisor, hours in a work week, final salary, and reason for leaving, etc. must be shown).
