POSITION: Epidemiology Nurse

DEPARTMENT: Department of Health

SALARY: \$69,737, In addition to contractual COLA increases, the annual salary of \$69,737 will increase by \$400 on the anniversary date for three years

WORK LOCATION: 175 Green St, Albany, NY 12202

BENEFITS:

- ▶ Paid Time-Off
- ▶ Tuition Reimbursement
- ▶ NYS Retirement
- ▶ Health, Dental, Vision and Hearing
- ▶ Employee Assistance Program

DESCRIPTION:

An incumbent of this class is responsible for the supervision of epidemiology staff conducting communicable disease investigations and reporting to the New York State Department of Health. Such diseases include, but are not limited to, sexually transmitted diseases, enteric diseases, emerging pathogens and tuberculosis. Supervision is exercised over the work of professional and non-professional staff within the division of epidemiology. This employee himself/herself also conducts communicable disease case investigations and reporting to the New York State Department of Health, and acts as resource person for information on communicable diseases to the community. The work is performed under general supervision of the Epidemiologist and/or Supervising Public Health Nurse. Does related work as required.

MINIMUM QUALIFICATIONS:

Graduation from a school of nursing approved by the State Education Department from a course approved by such department as qualifying for Registered Professional Nurse with two (2) years of experience working in the area of epidemiology or communicable disease control, including or supplemented by one (1) year of experience in a supervisory capacity.

SPECIAL REQUIREMENTS:

- Possession of a license to practice as a Registered Professional Nurse as issued by the New York State Board of Nurse Examiners
- Possession of a valid New York State driver's license at the time of appointment and throughout employment.

Please submit a copy of your resume with this application.
