Candidates will not have to take an exam for this title. This is a Hiring Emergency Limited Placement (HELP) Program-designated title. The HELP Program is a temporary program designed to help local government employers address current staffing issues. Traditionally, the titles filled under the HELP Program required job candidates to compete in a competitive exam to be considered for employment. For the duration of the program, this title will be classified as non-competitive and categorized as a "HELP Program" position. At the close of the program, this position will revert to competitive class
