

Our Future Starts
With *you!*

POSITION: Information Services Intern

DEPARTMENT: Division of Information Services

SALARY: \$21.00/Hour

HOURS: 17.5/Week During Semester; 35/Week During Breaks

ABOUT ALBANY COUNTY:

Albany County is the largest municipal government in the Capital Region. Albany County serves a population of over 300,000 residents through providing social services, public health and safety, and building and repair of public infrastructure. From the Helderbergs to the shores of the mighty Hudson, Albany County is a unique blend of urban excitement and rural relaxation. We offer a wide variety government services ranging from Public Defense to Water Purification. Here at Albany County, employees have a unique opportunity to make a direct impact on their community through their career.

DESCRIPTION:

Interns will be assigned to a mutually agreeable focus area: cybersecurity; networking and IT infrastructure; storage/virtualization; coding/development; or business and administration.

QUALIFICATIONS:

Must be a currently enrolled student at an accredited college or university in a relevant degree field.

Please submit a transcript with this application.
