POSITION: District Attorney's Office Summer College Internship—Financial Crimes Unit

DEPARTMENT: District Attorney's Office

APPLICATION DEADLINE: February 1st, 2026

ABOUT THE DISTRICT ATTORNEY'S OFFICE:

District Attorney Offices are responsible for the prosecution of all crimes within a particular county.

College students assist the Albany County District Attorney's Office in the Crime Victims Unit, the Financial Crimes Unit, the Restorative Justice Unit and sometimes assist in the local courts.

FINANCIAL CRIMES UNIT:

Financial Crimes Unit college students are sought some semesters to be forensic accounting interns capable of reviewing and auditing bank and other financial records concerning suspected fraudulent activity of all kinds. In addition, students will, under supervision, help build criminal investigations with law enforcement. The students will have a front seat view and total participation in prosecution of white collar and other financial crimes

QUALIFICATIONS:*

Must be currently enrolled student at an accredited college or university

****Must pass a background check and be fingerprinted***

Please submit a resume and cover letter with your application.
